

“No Solicitors” – Reduce Door-to-Door Sales at Your Home

The Village may not prohibit door-to-door solicitation due to existing Supreme Court rulings. However, the Village can and does require individual solicitors to obtain permits and abide by the solicitation hours established by the Village. Solicitors may work within the Village between the hours of 10:00 a.m. and 9:00 p.m. Monday through Sunday. Although these time restrictions do not apply to religious, charitable, or not-for-profit organizations, these organizations are asked to register with the Village and honor the Village’s solicitation hours.

When confronting a solicitor, the Village recommends that you ask to see a solicitation permit. If a permit issued by the Village of Long Grove is not presented, please notify the Lake County Sheriff as soon as possible. You will be asked to give the dispatcher a description of the solicitor and your location. An officer will then be dispatched to handle the situation.

At the bottom of this article is a copy of a “No Solicitors” placard that we suggest you affix to your door or a nearby window. Once posted, it becomes illegal for a solicitor to approach your home or business. If you have any questions, please do not hesitate to contact the Lake County Sheriff at the non-emergency number, 847-549-5200.
