**Dear Resident,**

The Village of Long Grove wishes to notify you of the beginning and completion dates for the proposed construction of the Menards off-site Lake County sanitary sewer mains and Lake County sanitary sewer lift station.

**Description of Work:** The proposed work will consist of the installation of a sanitary sewer main beginning at the Menards Development site traveling east along Checker Road to a sanitary lift station. The sanitary lift station will be constructed on the north side of Checker Road, between Country Club Drive and Brookside Lane. From the lift station, the proposed sanitary sewers will be installed traveling east along Checker Road and then north along Schaeffer Road. The proposed sanitary sewers will continue north along Schaeffer Road where it connects to the existing Illinois Route 53 Lake County sanitary sewer main. The majority of the proposed sanitary sewer main installations will be directionally bored. Erosion control measures will be installed and maintained at each directional boring sending and receiving pits.

The proposed aggregate bike path along Schaeffer Road will be installed as part of the above proposed sanitary improvements.

**Traffic Control/Detour Plan:**

It should be noted that single lane access will remain open at all times along all roadways affected. Proper traffic control will be installed prior to and during construction. A Village representative will be on-site at all times providing construction inspection and observation services.

**Schedule:** The contractor is scheduled to begin construction of the proposed sanitary sewer mains and lift station on September 22, 2008 or shortly thereafter. The proposed sanitary sewer main and lift station installation will be completed by mid January 2008. Tentatively, all roadway and landscape restoration will be completed during the spring 2009 (note this schedule is weather permitting). Should the contractors schedule significantly change, all residents will be notified.

**Working Hours:** 7:00 A.M to 7:00 P.M. Monday through Friday  
8:00 A.M to 5:00 P.M. Saturday
