**Twice-week service** = No longer an available option. The goal was to reduce the number of garbage truck trips and their damage to village streets (1 garbage truck = 1,500 passenger vehicles)

### Twice-week Alternatives:

- **Second 96 gallon cart** = **\$3.00** per cart. As an alternative to twice-week service.
- **Extra Pickup** = **\$17** per yard, with one (1) yard minimum.

**Trash/Yard Waste Stickers** = **\$2.50** each. Available for purchase through Waste Management and at Sunset Foods.

\*\*\* Time period for yard waste pick up - April 1 to December 1. Pick up to begins first regular pick up day after April 1.

**Bag (Leaf) Collection** = **\$1.00** each (sticker required on each bag - 6 weeks each Fall)

**Seasonal Yard Waste Service (Grass, Leaves, etc)** = **\$60.00/yr** (eliminates need for stickers on leaf bags).

**Recycling Cart.** All residents are eligible for a garbage cart and a 64 gallon recycling cart at no extra charge. Residents are encouraged to use garbage and recycling carts, however, may chose to use their existing garbage cans & recycling bins.

**Long Driveways.** Residents are encouraged to use garbage and recycling carts, however, in recognition of various hardship situations such as where residents have very long driveways and moving cart(s) down these driveways is not practical, residents may continue to use their existing cans/bags and recycling totes. In these situations, residents can avoid having to use stickers on these garbage containers by subscribing to the unlimited service.

**Carts Delivery & Removal.** Waste Management will deliver new carts to the bottom of the driveway in Mid-January. Residents that want Waste Management to dispose of their old containers should can mark them by attaching a piece of paper to these containers with "Please Take" written on it.
